U-Handles

24310.0910

Product Description

U-handles are used, for example, on machine doors, furniture doors, cabinet doors, drawers and drawer units.

These rounded U-handles are characterised by their ergonomic and stable construction and their simple and timeless design.

Same design as version with bearing washer.

Thanks to the larger bearing surface, no bearing washers are needed.

Material

Handle

• Steel, plastic coated, black
