Adjustable Clamping Levers • with female thread

24400.0624

Product Description

Adjustable clamping levers find versatile applications when the area of use is confined or a specific lever position is required.

Material

Lever

· Zinc die-cast, plastic coated, black, similar to RAL 9005, matt structure

Threaded part

• Steel, blackened, quality 5

Inner parts

· Steel, blackened, quality 5.8

Operation

By lifting the lever the serrations are disengaged. The lever can be positioned by the serrations. On releasing the lever, the serrations are automatically re-engaged.

More information

The threaded portion can be exchanged.
